## SUMMARY

I am a practical person who values common sense and pragmatic solutions. From a young age, I have been driven by a strong sense of curiosity and a love of learning. I believe that attention to detail and precision are key to success.

## PROJECTS

### Match Score

11/2023 - 12/2023

Solution that streamline the organization and management of sport events. Implemented features for one-on-one matches and tournaments.

- Intensive work in a group of three with a horizontal hierarchy.
- Technologies: Python, FastAPI, MariaDB, Pydantic.
